POLICE DEPARTMENT

JULY 2011

Goals: (1) Effective and Efficient Police Response and Service, (2) Enhanced Police involvement with the community.

Officers attended fewer training hours this month as we had scheduled 5 officers to attend free or reduced cost training. Two patrol officers were scheduled but could not attend Death investigation course hosted by the Cuyahoga County Coroner's office, due the Coroner's funding being cut. Three officers were scheduled for a four day school on Basic Warrant Entry. This federally funded free school was postponed due to federal funding limitations.

I along with several area police and fire representatives continued testing and evaluating portable radios which will have to be purchased in the upcoming months to be compliant with the new Lake County radio backbone. We believe we have narrowed the field of possible choices down to two companies. Further evaluation and pricing will be forthcoming.

The Department continued our efforts utilizing our C.I.T.E. team enforcement. There have been seven P.A.S.S. Operations in the month of July which were successful in netting arrests of adults and juveniles. There were (4) drug arrest to include Possession of Cocaine and Possession of Marijuana, two misc. criminal offenses, (5) traffic citations, (9) curfew arrests, and (1) juvenile tobacco offender arrest. There was one C.I.T.E. Team traffic detail which resulted in (5) traffic citations.
