POLICE DEPARTMENT

AUGUST 2011

Goals: (1) Effective and Efficient Police Response and Service, (2) Enhanced Police involvement with the community.

Officers attend fewer training hours in the summer months. However we did send Lt. Waterman to begin his twelve weeks Executive leadership training at the Southern Police Institute in Louisville Ky. Ptlm. Josh Rogers completed a one week Traffic Crash Investigation school at the Ohio State Patrol Academy. Detective Decaro attended RX Abuse (prescription) class in Richfield.

I along with several area police and fire representatives continued testing and evaluating portable radios again this month.

August 2nd was the Night Out-Against Crime, the event was well attended and appeared everyone had a positive comment. Saturday August 13th was the Unity in the Community (Morse Rec Center) two officers were detailed to be present for the entire event. Our department along with the help of City Garage and Parks and Rec prepared the parade route for the Lake County Fair, covering its new starting point for 2011. Officers were detailed to be present at the Saturday Aug 20th - Art in the Park

The Department continued our efforts utilizing our C.I.T.E. team enforcement. Officers again this year have teamed up with school administrators at the end of the school day for the first two weeks of school to patrol. This collaborative enforcement effort seems to be the most effective as the teens now know they cannot walk and cause trouble anonymously.
