

CERTIFICATE OF APPROPRIATENESS

Project Location :	
Zoning District :	

Please select one: Design Review District: Richmond Street Downtown
 and/or Historic Preservation District: Bank Street Mentor Avenue

Describe the Proposed Construction (Renovation, New, etc)

Attach drawings that clearly represent the intended design of the building, structure, or feature as it is intended to be built and accurately describe dimensions, locations, colors, materials, and other characteristics of the design. Representation should also be made of any existing exterior architectural feature proposed to be altered or removed. Design must be in conformance with Chapter 1146 Design Review Standards of the Zoning Code.
