I, \_\_\_\_\_, do hereby propose to establish, on said premises, the following home occupation: (describe in detail, i.e. equipment, hours, office location, etc.) Information to be provided on back of form and submitted with a floor/site plan showing the location of said Home Occupation.

I further certify that the above-described home occupation will be conducted in compliance with the applicable provisions of the City of Painesville Code of Ordinances, including the following:

**Home occupation - an occupation conducted in a dwelling provided that:**

- A. No person other than family members of the family residing on the premises shall be engaged in such occupation;
- B. The use of the dwelling unit for the home occupation shall be clearly incidental and subordinate to its use for residential purposes by its occupants, and not more than twenty-five percent (25%) of floor area of the dwelling unit shall be used in the conduct of the home occupation;
- C. There shall be no change in the outside appearance of the building or premises, or other visible evidence of the conduct of such home occupation other than one sign, not exceeding four square feet in area, non-illuminated and mounted flat against the wall of the principal building;
- D. No home occupation shall be conducted in any accessory building;
- E. No sales, not clearly incidental to the home occupation being conducted by the resident family are permitted;
- F. No traffic shall be generated by such home occupation in greater volume than would normally be expected in residential neighborhoods and, any need for parking generated by the conduct of such home occupation shall meet the off-street parking requirements as specified in this ordinance and shall not be located in a required front yard; and
- G. No equipment or process shall be used in such home occupation which creates noise, vibration, glare, fumes, odors, or electrical interference detectable to the normal senses off the lot, if the occupation is conducted in a single family residence, or outside the dwelling unit if conducted in other than a single family residence. In the case of electrical interference, no equipment or process shall be used which creates visual or audible interference in any radio or television receivers off the premises, or causes fluctuations in the voltage off the premises.

I further understand that any violation of the above provisions constitutes a fourth degree misdemeanor and may result in criminal prosecution by the City of Painesville
