# SWIMMING POOL INFORMATION

Requirements for swimming pools in the City of Painesville. This is basic information only and additional requirements may apply. If there are any questions, please contact the Community Development Department, (440) 392-5931.

**Special rates apply for filling a pool. Contact the Utilities Office (440) 392-5796 for details.**

- **Permits Required.**

<b>Zoning Permit</b>	\$45
<b>Pool Permit</b>	\$30 plus \$0.50 per 100 sq. ft.
<b>Fence Permit</b>	\$10 plus \$0.20 per lineal feet of fence (\$75 max)
<b>Electrical Permit</b>	Outlet or fixture: Above ground \$15.00, underground \$25.00

*1127.06(a)4: Swimming pools cannot exceed 512 sq. ft.; in-ground pools cannot exceed 800 sq. ft.*

*To determine total sq footage: Diameter (26' pool) /2= 13 (Radius) 13<sup>2</sup> \* 3.14159265 = 530.92*

**Plans Required.**

- Site plan showing the following:
  - Location of all structures on lot.
  - Location of pool and any decking and distance to lot lines.
  - Location of any proposed or existing fencing to prevent uncontrolled access.
  - Location of any proposed or existing electrical wiring, outlets, light fixtures, etc.
- Pool plan, showing the size, type, depth and any other relevant information concerning the pool.
- Accessory structures. Plans showing the construction of any accessory structures to the pool such as a deck, pump houses, etc.

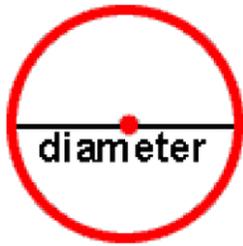

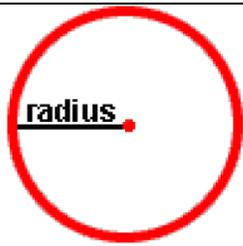

**A private swimming pool shall be permitted provided that the following conditions and requirements have been met:**

- The pool is intended and is to be used solely for the enjoyment of the occupants of the principal use of the property on which it is located.
- The pool and/or any structure accessory thereto shall be located a minimum of 10 feet from a property line in a single-family district.
- The pool and/or any structure accessory thereto shall be located a minimum of 20 feet from a property line in a multi-family district.
- The pool shall be fenced or walled as to prevent uncontrolled access from the street or adjacent properties. Such fence or wall shall be a minimum of 48 inches in height.

**Basic Electric Requirements.** (In all cases the provisions of the National Electrical Code must be met).

- No overhead wiring (electric, phone or cable TV) is permitted to be located above or within a 10-foot zone around the pool.
- No underground wiring is permitted below or within a 5-foot zone around the pool.
- No extension cords are permitted.
- The outlet to provide power for the pump/filter motor shall be installed between 5 feet and 10 feet from the pool. The outlet shall be of the single and locking type, shall be grounded and protected by a ground fault circuit-interrupter.
- The cover for the pump/filter motor receptacle outlet must be capable of being closed while the plug is inserted.
- All other electrical outlets and lighting fixtures within 20 feet of the pool shall be in accordance with the provisions of the National Electrical Code.
