

PAINESVILLE ACCEPTING APPLICATIONS FOR ROOF REPLACEMENT

As a result of the aging housing stock and the City Council's goal to "Improve Painesville's Environment and Image", the City of Painesville applied and received \$40,000 in Community Development Block Grant (CDBG) Funding through the Lake County Commissioner's Office to replace leaking, damaged and dilapidated roofs for residents. The funding must be used by August 30, 2016 and will be awarded on a first come, first serve basis for those qualifying applicants.

This program is designed to benefit low to moderate income residential homeowners in the City of Painesville — particularly those who have been cited for property maintenance violations such as roof leaks, worn or deteriorated shingles, moisture, blow offs, cave-ins, and shrinkage. It is designed to benefit residents by improving the aesthetics of owner-occupied single-family homes, thus increasing property values and improving the neighborhoods within our community.

In order to qualify for the CDBG Funding for the roofing replacement program, residents must meet the qualifications listed below:

- 1) The home must be owner-occupied.
- 2) The owner/occupants must be within the established CDBG income eligibility guidelines and provide the documentation requested.
- 3) The owner must be able to provide the local match of \$500.00.

If you or someone you know needs a new roof and meets the qualifications listed above, review the [application](#) and [brochure](#) (tap on to go to link) that is on the City of Painesville's website at www.painesville.com or stop into the City of Painesville Community Development Department located at 66 Mentor Avenue and pick up an information packet. Applicants will be required to complete an application and provide the supporting information requested to verify income eligibility.

This is a once in a lifetime opportunity and the City of Painesville looks forward to receiving your application. If you have questions and/or require additional information, please contact the City of Painesville Community Development Department at (440) 392-5931 or via e-mail at dlewis@painesville.com .
