RIGHT OF ENTRY/WORK AGREEMENT

To Whom It May Concern:

I, the undersigned, hereby grant the City of Painesville, including its contractors, permission to enter the following property(s) owned by me to gain access to the existing storm sewer system thereon or adjacent. It is the City's intent to re-establish the existing storm sewer system consisting of drainage swales and/or buried pipe. Various activities may be required on a site-by-site basis, including but not limited to the installation of sewer pipe, site grading to allow for drainage, tree removal and clearing of obstacles. For the Rain Garden Assistance the City of Painesville will assist in the design and ground work preparation of a rain garden on the property. The property owner is required to purchase all materials and install all of the plants. These activities may involve the use of a variety of types of construction equipment. The estimated cost to the property owner for these services is defined below:

Address: _____

Property Owner Cost: _____

In return for this service, the City of Painesville agrees that the ground surface affected by said operations shall be restored and any damage done to fences or other appurtenances shall be repaired by the City of Painesville.

In the event the City installs a backflow preventor in the sanitary sewer lateral, the City takes no responsibility for future maintenance of the device. It will be the responsibility of the homeowner to follow the manufacturer's recommendations for maintenance and inspection.
