Volunteers are the heart of every community. Every year Civic-minded individuals, organizations, and groups volunteer their time and talents to make their community more enjoyable for all.

Volunteers in Painesville (VIPs), assist in special events, help lead programs, help maintain parks, and much more.

Volunteers range in age and have a variety of skills, abilities and experiences. But they all have one thing in common: a desire to be involved in helping their Community.

The first step in becoming a *Volunteer in Painesville* is to complete the application on back and return it to the Recreation Office at 54 Mentor Avenue.

The second step is an interview. During the interview, volunteer applicants discuss their skills, interests, and schedules.

And finally, upon acceptance, volunteers attend an orientation and are introduced to staff and fellow volunteers.
