## Permanent Closure of the Municipal Parking Garage Effective April 18, 2016

**Painesville, OH:** Regrettably, the City of Painesville is permanently closing the Municipal Parking Garage effective Monday, April 18, 2016 due to structural concerns and for public safety. We have provided parking options for permit holders for their parking needs. All vehicles must be removed from the parking garage no later than Sunday, April 17, 2016. Ample parking is available around the City. There will be strict enforcement of the City's parking restrictions in the 2 hour business district and at all metered and non-metered on-street parking throughout the downtown area.

For more information, please contact the City Manager's Office at 440-392-5800.
