DATE: June 11, 2015

Traffic Restriction: Walnut Street Traffic Maintenance for Concrete Road Repair

Painesville, OH –As part of the City’s [2015 Road Paving Projects](#), a section of Walnut Street will be detoured at Marion Avenue for repairs to the concrete roadway beginning Friday, June 12, 2015 for approximately 2-3 weeks. One way traffic will be maintained throughout the project. Please lower your speed through the construction zone. A flagger will be on duty during working hours to maintain traffic.

Please call the Public Work’s Office if you have any questions at 440-392-9676.
