

9/11 Never Forget Project, Young America Foundation

On Sunday ,September 11th 2011 in the Painesville City Square, we will place a flag for all those who lost their life, One for each of the almost 3000 that died that fateful day. We will have speakers from various safety forces and county officials. There will be a Honor Guard with 21 gun salute and a trumpet soloist. All are invited to help place the flags. Below is the event time line. This is the 10th anniversary. We must never forget this day.

Please take time to thank and remember those in the Fire and Police Departments and all of our servicemen and women. We would also like to invite all Blue Star families and also our Gold Star Families to place their own flag.

Also, Painesville, Willoughby and Eastlake will dedicate their own memorials that day. Please take time to attend one of these and consider a donation for their memorials.
