REGULATIONS FOR BLOCK "G"

On all lots, except monument lots, single and double headstones are permitted and shall be set 6" above ground level at the highest dimension, with 1" base and all surfaces finished. Single headstones shall be 2' by 1' and double headstones shall be 1' in width and not less than 3' or more than 4' in length.

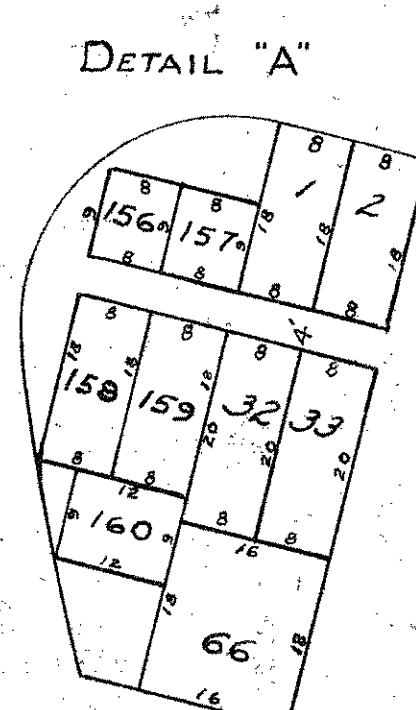

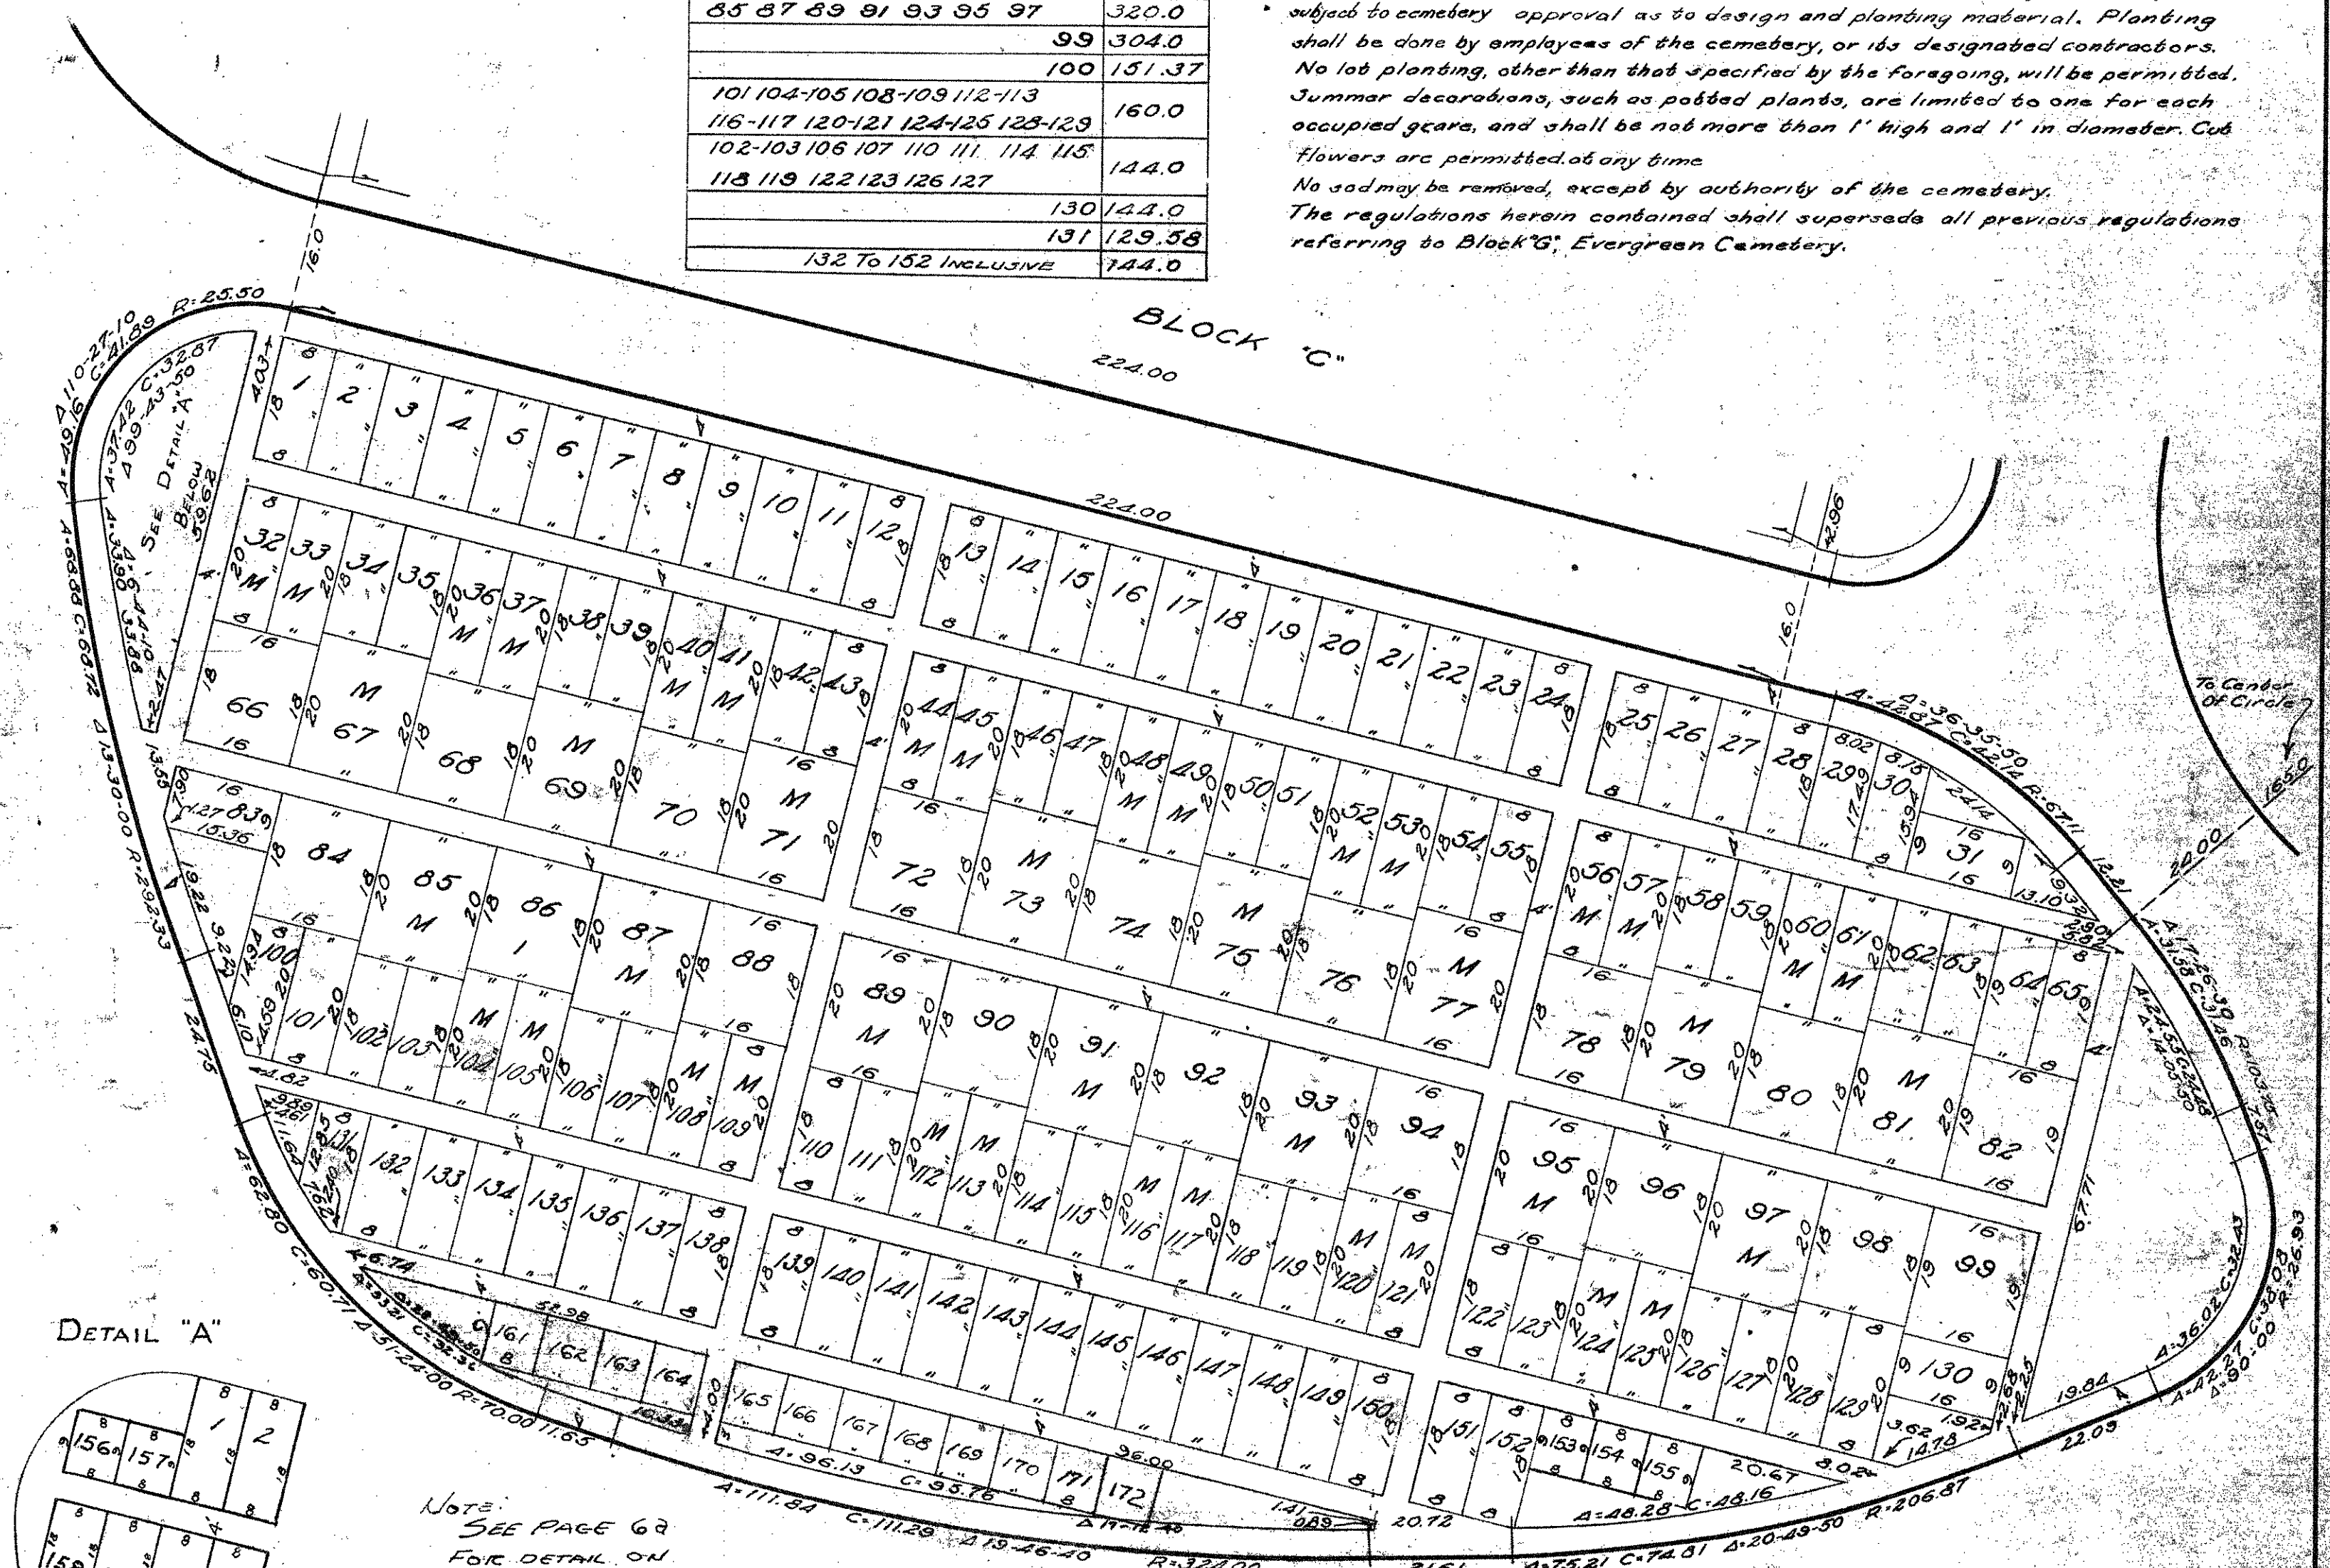

Monuments may be erected only on such lots as are designated for this purpose, by the cemetery, and are to be set in lot centers. Sides and top of die shall be finished; rock ends only. Base may be rock faced. No monument shall exceed one-half the width of a 4 grave lot, or one-third third the width of an 8 grave lot. Single headstones may be used with monuments on an 8 grave lot, and shall be set on the front and rear lot lines, such lines to be so designated by the cemetery.

All memorials shall be of granite, shall be set not less than 2" below ground level and shall face the front lot line.

Landscaping will be permitted for monuments erected on 8 grave lots, subject to cemetery approval as to design and planting material. Planting shall be done by employees of the cemetery, or its designated contractors. No lot planting, other than that specified by the foregoing, will be permitted. Summer decorations, such as potted plants, are limited to one for each occupied grave, and shall be not more than 1' high and 1' in diameter. Cut flowers are permitted at any time.

No sod may be removed, except by authority of the cemetery.

The regulations herein contained shall supersede all previous regulations referring to Block "G", Evergreen Cemetery.
