

REQUEST FOR PROPOSALS
for
Upfitting/Outfitting of Police Vehicles
THE CITY OF PAINESVILLE, OHIO

This Request for Proposals ("RFP") is an official notification of the need for professional services to the City of Painesville, Ohio ("City"). This RFP is being issued to request pricing and proposals for Upfitting/Outfitting of police vehicles to include purchase and installation of all listed equipment to be received at the Office of the City Manager, Painesville City Hall, 7 Richmond Street, Painesville, Ohio 44077, until 12:00 P.M. on April 10, 2026.

BACKGROUND INFORMATION

The City has determined that it requires the Upfitting/Outfitting of police vehicles to include purchase and installation of all listed equipment upon request by the City, hereinafter referred to as Upfitting/Outfitting.

REQUIREMENTS

1. Services. The Upfitting/Outfitting Company shall provide maintenance and service to all items at no cost to the City up to one year after installation if found to be installed improperly.
2. Equipment. The Upfitting/Outfitting Company shall purchase all equipment listed on Addendum "A" for use on (3) three 2026 Ford Explorer SUV police vehicles. No other brand or model is acceptable unless approved by the City Police Department.
3. Communication. The Upfitting/Outfitting Company shall maintain regular communications with updates on the Upfitting/Outfitting progress.
4. Records. The Upfitting/Outfitting Company shall at all times maintain adequate records in connection with the Upfitting/Outfitting and shall make such records available to the City upon request.
5. Indemnity. The Upfitting/Outfitting Company shall agree to indemnify and hold harmless the City, for any and all costs, damages, claims, and liability which may arise out of the Upfitting/Outfitting Company's conduct and performance of the Upfitting/Outfitting Service.

6. Term. The term of agreement is for one year from date of entering into agreement or upon completion of all Upfitting/Outfitting of those police vehicles purchased in 2026 whichever event occurs first in time
7. Payment. The Upfitting/Outfitting Company is required to submit detailed invoices and all related paperwork to the City Police Department upon satisfactory completion of the agreed work.
8. Assignment. If the Upfitting/Outfitting Company business is sold, the Agreement can be assigned to the new owner upon the written approval by the City, but the entire bid requirements must be adhered to. The City must be notified of and approve any assignment.

Responses should describe the Upfitting/Outfitting services that would be provided in sufficient detail and the pricing for the described services are to be submitted on Upfitting/Outfitting Company letterhead. The City reserves the right to reject all RFPs submitted. If a bid is awarded, the bid will be awarded to the lowest and best bidder as determined by the City based on the bid price, the experience of the Bidder in performing the same or similar work, the quality of the work that has been performed by the Bidder for other entities, the timeliness of the work for other entities, and the experience of the workforce for the Bidder in performing the same or similar work.

The final selection will be by the City Manager and the Chief of Police of the City of Painesville.
